

THE MAINSHEET

Vol. 34 No. 9

September, 2005

Cheney Lake, Kansas

From The Commodore

It was a beautiful night this Labor Day. The Fireworks were as spectacular as what we have grown to expect on this night. All afternoon the area was bustling with activity the winds were all that one could wish. This was a sailor's weekend for sure.

It was only two months ago that we huddled under the Afterdeck as our "hurricane" blew through illustrating how helpless we are to the whims of Nature. Last July we all pulled together and worked as a team to repair the damage; it was an inspiring sight. On that occasion we were surely blessed.

The videos we saw this past week of the havoc on the Gulf coast can only remind us of how fragile we all are and how quickly things can change. The sight of the Yacht Club on fire on television was a sickening thing to see. This Labor Day we can all be thankful of how beautiful life can be.

Board of Governors Meeting

Minutes

Board of Governors
Ninnescah Sailing Association
September 1, 2005

Present: John Graves, Jim Honeyman, John Mosley, Alan Huffman, Jim Carlisle, Mary Kearbey, Rich Shull, Pat Adams, Neil Carlsen, Mike Mason and Allen Johnson.

- The minutes of the August meeting were approved as published.
- John Graves presented the financial report for John Curfman. After a discussion of year-end cash balance issues, it was approved as presented.
- John Graves and John Mosley presented the Long Range Planning Committee (LRPC) report concerning the future financial needs to maintain current level of operations (see LRPC report contained in the Mainsheet). The LRPC recommends increasing dues \$30.00 for 2006 and an additional \$30.00 for 2007. They also recommend dividing the wet slip fees into five categories based on depth, width, length and other variables with suggested fees for each category and recommend a 10% increase in all other fees set out in Rules and Fees section 10.M. After considerable discussion, the board acted to place a notice of a proposed fee change in the Mainsheet for action at the October board meeting and to submit the dues increase (which requires a bylaw change) to the membership at the annual membership meeting, November 6.
- Allen Johnson distributed new member information.
- Jim Honeyman had no report other than the information to be discussed by Pat Adams.
- Alan Huffman reported that the **Gary Jobson** event is scheduled for **Friday November 4 at 7:30 pm**. It will take place in the Bank of America auditorium at Broadway and Douglas. Tickets will be \$15 in advance and \$20 at the door. Seating is limited to 213, so contact Alan soon for tickets. Alan also presented new club burgees, which will be for sale at the ship's store.
- Mike Mason discussed the Labor Day Dinner and reminded everyone that the **Low Country Boil** will be **Saturday, October 1** at 7:00 pm at the shelter house and the **Christmas party** will be **Saturday, December 3** at the afterdeck.
- Pat Adams reported the repairs to slips C and E are complete. Damaged shingles have been replaced on the Afterdeck and residence and the air conditioners have been serviced. The club boats are all in good shape and the lightning detector has proven a good investment. **Orientation classes** will be held on **Saturday, September 24**, as follows: crane at 11:00 am, boats at 12:00 noon and Afterdeck at 1:00 pm. Pat also wanted to express the club's thanks to Jeremy Wright for his contribution of a catamaran mast to replace the flagpole.

- Neil Carlsen announced a **club workday** for **October 1, at 9:00 am** and reminded members to mow yard spaces, close gates and not to dispose old batteries or waste oil or chemicals at the club.

- Mary Kearbey informed the board that the Afterdeck was scheduled for private events September 24 and October 15.

- Jim Carlisle advised that the insurance adjuster had inspected C slip, but that the damage was less than our deductible. The adjuster evaluated the value of the current wet slips at \$775,000.00 without considering the utilities thereon. Jim also received another bid on replacement of C slip.

- The regular **board breakfast** will be at the Beacon Restaurant, **Tuesday, September 13** at 7:00 am

- The **October board meeting** will be at the Afterdeck on **Thursday, October 6 at 7:00 pm**.

- The **Annual Membership Meeting** will be held at the Afterdeck, **Sunday, November 6 at 2:00 pm** with a covered dish dinner to follow.

The meeting adjourned at 9:05

NSA/CLA Golf Tourney

The 10th Annual NSA Golf Tourney was held August 13, 2005 at the Links at Pretty Prairie. The weather cooperated nicely and ten teams participated. The winning team was headed by Bob Knowles and they shot a 57.

A Special Thanks goes to Andy Woodward and Cindy Greenwood who volunteered to operate the Refreshment Cart and were very much appreciated by everyone. Also, Special Thanks goes to Alan Huffman who donated a new Driver that was raffled off, and to Connie Hedrick the Course Manager who also conducted a hole in one raffle on hole # 5.

Altogether, \$207 was raised from these raffles and was donated to the Dr. Thorp Memorial Afterdeck Deck Expansion Project.

Everyone who participated seemed to have a great time, and we look forward to doing it again next year.

And from Operations - Mike Mason

Over 140 people dined in the Afterdeck on southwest grilled chicken in cream sauce, rice pilaf, vegetable medley, salad, rolls, and assorted pies Sunday evening, September 4. Among the group were local dignitaries and officials, people with whom we want to have a good working relationship.

Following the dinner was the annual fireworks display that we put on for our members and campers at the lake. It seemed to be the best yet. One display of particular note was the firing of short rockets all along the rock jetty in unison over an extended period of time, like a very colorful reverse waterfall.

As usual, I owe a lot of people thanks, Jim Carlisle and his daughter, Neil Carlson, my wife, and several others who helped set up and take down, sweep up, and clean up.

I owe new members John Graves and his wife an apology for dropping their reservations. I had them but called the wrong John Graves for confirmation, who, of course, denied making reservations. I can only chalk this up to a lack of imagination and failure to connect the dots. I am sorry. I will not make that error again.

Our next social event promises some of the best eating of the year. On Saturday, October 1, at 6:30 we will have the annual Low Country Boil and Bonfire out on the point, weather permitting. It will require a reservation by Thursday, September 29 by midnight. Since we are catering this ourselves, the cost will be \$8.00 per adult, \$4.00 per child 11 years or younger. If you have questions or want to make reservations call: 316-722-0207 or email masonwcht@aol.com. If you phone and get an answering machine, leave your name, the number of reservations, and a phone I can call to confirm. If you don't get a phone or email confirmation, call me, for I have found a new way to lose a reservation.

C.O.R.N.

The C.O.R.N. (Cheney One-Design Regatta at Ninnescah) was held on September 3rd and 4th, 2005. Twenty-seven boats, in four different fleets were registered for the event. There was plenty of wind on both Saturday and Sunday. The Laser Fleet chose this event to be their district championships. Ninnescah Sailing Association would like to thank Jim Pierce, who served as PRO, and the Regatta committee for putting on another outstanding event.

DECK EXPANSION FUNDRAISER IS A SUCCESS!

The Afterdeck on Saturday night, August 20 was buzzing! About 90 people arrived for the evening potluck meal and silent auction. "Hittle Jazz" floated some wonderful easy-listening tunes over the crowd, while they ate and placed bids on several tables of valuable items.

Andy Woodward announced that the goal of \$1,000.00 in ticket sales for the GPS raffle had been met. Sue Thorp then drew the winning GPS Raffle ticket. Andy announced that the ticket belongs to **Milt Dowdy**, who will now never-ever be lost! We are grateful to Steve and Paula Weatherford for their generous donation of the GPS.

The auction and donations yielded \$4,271.00! What is even more remarkable is that 100% of the money taken in will go to the project. We are now 60% towards our goal for the Dr. Thorp deck expansion project!

Many heartfelt thanks to all of those people who worked very hard and donated so much to make this gathering a great success. If you are thinking about a contribution, or wish to increase your previous contribution, by all means do so! Also, watch for upcoming exciting fundraising events! - 6 -

The rudder is a little unique for an S16 in that it is half metal half wood. If anyone has information on the rudder they can contact me at 304-2606 or at tim@timmcmanamey.com.
