For those of you that were not able to attend the annual Christmas party, it was a great time and we wish you could have joined us. As usual, the Gibson's orchestrated a wonderful evening at the Afterdeck with great food and music!

Heather and I weren't able attend the New Years Eve gathering, but we heard it was also a great time! Even though I missed the party, I made it to breakfast at the Afterdeck on New Years day. After breakfast was wrapped up; Cindy Greenwood, Joan Gibson, Marlys Pierce, and Kay Bruce gave the Afterdeck Kitchen and other seldom used parts a thorough cleaning and sprucing up...we owe them a big THANK YOU!

The board met on Saturday afternoon and finalized the budget for the upcoming year. I want to extend my thanks for all their hard work and cooperation on this difficult but key part of our annual planning. In addition to normal maintenance and upkeep, we hope to wrap up the crane re-wiring project before spring so the grass can be planted and get the slip area back in shape for another season. In addition, you're likely to see some additional work on the slips this year as we focus repairs to C, D and E this spring. If you have some time and would like to help out with these or any of the other projects and events, be sure to let us know your preference for a work credit assignment when you return your dues invoice.

Please remember to check on your boats this winter to make sure everything is still secure, and while you're at it hang around a while...Patrick reports that there are lots of eagles at the lake this winter.

Even though it's cold, there are several upcoming events at the lake. So check out the social calendar and come join us!
