I would like to first of all wish all of you Happy New Year and hope you have a great 2010. I would also like to extend a special thank you to Joanie Curfman and Vicki Bond for a fantastic job putting the Holiday Soiree together. The Afterdeck was an enchanting venue and the food and band were great. In addition, the comedy provided by John Curfman and Rick Abbott was priceless. What a surprise to walk in and see one of my neighbors playing fiddle for the Evan LaRue Band! Also, a big thank you to the volunteers who helped our Treasurer, John Mosley, perform the boat inventory required by Reno County on New Year's Day as it was a very cold morning and everyone did a great job.

The entire lake is frozen and Patrick reports everything is well at our club. All boats in the water have been moved to A and B docks. We finalized our 2010 budget at the January 5th Board of Governors meeting and I am pleased to report that I believe it to be a very good budget that should serve the membership well. A big thank you to the board for the work they did on their respective budgets. Also at the meeting our Vice Commodore, Gary Cheatum, introduced Trevor Thornicroft, our new Junior Sailing Committee Chairman and we discussed the 2010 program with him. We also established that the 2010 slip exchange meeting will be held on Sunday, March 7th at 2:00 P.M.

Just a reminder to send in a check for your dues and fees by the end of January and please sign up for the Work Credit Program. The Work Credit Program is an important part of the operational concept of our club and is a great way to control our expenses and have fun while doing it. With the extremely cold weather it would also be a good idea to check your boats both in the water and on trailers. Any water trapped in hoses, fiberglass, or through hulls can freeze and cause damage or sinking when it melts.

Finally, I would again like to encourage members to attend our monthly Board of Governors meetings and see how the club runs and the issues we face. Also, I encourage anyone interested in serving as Work Committee Chairmen or on future Boards to let us know. The Board of Governors meetings are going to be held, at least through April, at the Airport Hilton Board Room at 7:00 P.M. the first Thursday of each month. Thank you for your continued support of NSA.

NSA MEMBERS,

It is with disappointment that I must announce that the large "*SPORTSMAN OF THE YEAR*" trophy has been misplaced. After spending over 18 months attempting to locate it, I have to admit failure – I have not found anyone who knows anything about the location of the trophy.

Therefore, I am asking all club members to assist me in locating this missing trophy. If you know of the location of the trophy, or know of someone who might have information regarding it's location, please contact me or any other NSA Board Member. There will be no questions asked, just our gratitude for having the trophy back in order that it might be presented to the recent winners.

I can be contacted at (316) 617-1246 or (316) 260-3987 at virtually any time. Should you call when I am unable to answer, both numbers are equipped with voice mail so a message may be left and I will reply as soon as possible.

From the Vice-commodore...

This beautiful day of sunshine, light breeze and 45° is certainly a welcome break from what seemed to be nearly endless cold and wind. I've been to the lake to check on the boat and the trailer and am now even more anxious for the sailing season (and weather) to begin.

On the subject of the sailing season and sailing activities, it is the time of year when we need to start planning for the spring boat clean-up and the new bottom paint and getting the rig and sails ready. It is also a good time to start making plans to participate in some of the Club racing. The KBRS Program is a great opportunity to get on the water with other fun-loving sailors and enjoy sailing your boat (or anyone's boat). The KBRS races are held in the evening and are attended by sailors of all experience levels – beginner to "old Salt" – and promote the idea of fun racing among friends. Generally the Spring Series of races begins in April and continues on Wednesday evenings through mid-July, when the Fall Series begins. Alan Loehr will be publishing the full KBRS schedule in an upcoming issue of, "The MAINSHEET." And to start getting "into the mood," Alan has arranged for a gathering of the KBRS group on Wednesday evening at 5:00 PM until ? at *Players' Bar & Grill* on West 21st Street. These are great events with the opportunity to eat, drink and tell lies to other sailors to your heart's content. It is also a great venue for anyone interested in participating in KBRS events to learn more about the program, get a handicap established for your boat, line-up crew for the coming races and get acquainted with the great group of folks who regularly race on Wednesday evenings!

If you have any questions about the KBRS Program, come to *Players* on Wednesday evening and ask or contact Alan Loehr by phone (316) 721-6455.

I'm looking forward to seeing the crowd on Wednesday evening and I encourage you to come and meet everyone!
