## Message from the Commodore

It's good to see all of the boats in the slips and everyone on the water experiencing the awesome sailing weather. For those who love a good fall sail the forecast is looking good.

If you missed the Low Country Boil and Allen's 8th annual 50th birthday party, be sure to mark the next one on your calendar (September 20th) as it is sure to be one for the records. Every year I think there is no way Allen and Thumper Johnson can possibly top the perfect party they hosted last year. But, much to my delight, they prove me wrong every year. What more can you ask for than being at the lake with great friends, great food and great music.

The annual meeting is coming up on November 10th 2:00 pm at the Afterdeck so please plan on attending. We will review the past year, make plans for the upcoming year, and elect fresh faces to serve on the board of governors. After the meeting there will be a soup potluck so bring your favorite for all to enjoy.

See you on the water.

David Parrish  
2012-2013 NSA Commodore

## **LOW COUNTRY BOIL** **Good Food! Great Band!** **Best Party of the Year!**

Well, I survived another fiftieth birthday party, thanks to everyone who attended. The dinner was well received and the *Goons* were great.

We had 126 for the shrimp boil dinner and still had 35 left at 10:30 when the band wrapped up. We even had the commodores from both NSA and Walnut Valley dancing with us till the end. The temperature was a bit brisk (as well as the wind) when we arrived to set up at 3:00, so we made a decision to move to under the *Afterdeck*. When the party started the wind had dropped to a pleasant breeze making it too late to move everything back to the point.

We had several requests for the *Shrimp Boil Recipe*, so it is published below.

What do you think about the eighth annual party—*Afterdeck* or the shelter house point? Mark your calendars for next year, **September 20th, 2014**. I plan on attending!

### Shrimp Boil Recipe - Thumper Johnson

1 pot feeds 10 -12 people.

#### Ingredients

- 1 small bag of red potatoes (2-3 lbs.)
- 4 pkgs brats (2 per person)
- 10 chicken tenders\*
- 5 ears of corn, husked and snapped in half
- 4 lbs. shrimp raw, unpeeled (6-25 pp) makes 1/3 to 1/4 lbs. per person
- 1 bottle/1 bag Zatarans = mild or 2 bottle/1 bag Zatarans = spicy

#### Directions

##### ■ Step 1

Fill a large pot 2/3 full of water. Add Zatarans seasoning to the pot. Cover and bring to a boil, then reduce to a simmer.

##### ■ Step 2

Add the potatoes to the pot; return liquid to a boil, cover and cook until just tender, about 10 minutes. Add the sausage/ chicken; cover and continue cooking, 5 minutes. Add the corn; cover and cook, 5 minutes more.

##### ■ Step 3

Stir in shrimp; Cover and cook until the shrimp curl and are just opaque, 2 to 3 minutes.

##### ■ Step 4

Transfer the shrimp and vegetables with a slotted spoon or skimmer to a large bowl or spread out on a newspaper on the table. Serve with lemon wedges and hot sauce, or cocktail sauce if desired.

## America's Cup®

### ORACLE TEAM USA stages massive comeback to win 34th America's Cup

ORACLE TEAM USA won the 34th America's Cup in a winner-take-all 19th race, defeating challenger Emirates Team New Zealand by 44 seconds in today's clincher. Led by 35-year-old skipper Jimmy Spithill, ORACLE TEAM USA won by the score of 9-8.

This is the second America's Cup win for ORACLE TEAM USA and Spithill, which won the 162-year-old trophy in Valencia, Spain, in February 2010. Then 30 years of age, Spithill became the youngest to ever skipper a Cup winning team.

In the past week ORACLE TEAM USA has steadily improved its boatspeed to the point where it could hydrofoil upwind at 30-32 knots, incredible performance never seen before in the America's Cup.

"It was a fantastic race. We wouldn't have it any other way," said Spithill, the two-time Cup winner. "We came from behind,

the guys showed so much heart. On your own you're nothing, but a team like this can make you look great... We were facing the barrel of a gun at 8-1 and the guys didn't even flinch.

"Thanks to San Francisco, this is one hell of a day," Spithill said.

ORACLE TEAM USA's victory marks one of the most improbable comebacks in the history of sport. The team won 11 races to score the 9 points required for victory due to a penalty imposed by the International Jury. Just last Wednesday, Sept. 18, ORACLE TEAM USA trailed the series 8-1. With the challenger on match point, the defender closed out the series with eight consecutive victories.

This was the third time in the history of the America's Cup with a winner-take-all final race. Previously, the defender won in 1920 and the challenger won in 1983. Both

times the winner rallied from a multi-race deficit, but never anything amounting to eight straight wins.

"This was a wonderful match of teams," said Regatta Director Iain Murray, who's been involved with the America's Cup since 1983. "In the case of a boat coming from behind, 3-1 down as was the case with Australia II in 83, the shoe is on a different foot this time around.

Then it was the challenger behind and this time it was the defender. But in the end we had great competition between two great teams, evenly matched, battling it out to the end."

One million fans visited the official America's Cup venues at Piers 27/29 and Marina Green since they opened on July 4, and hundreds of thousands more lined the shores of San Francisco Bay to catch a glimpse of the flying, foiling AC72.

### 34th America's Cup Standings (first to 9 points wins)

- ORACLE TEAM USA—9 (11 wins; ORACLE TEAM USA was penalized its first two victories by the International Jury)
- Emirates Team New Zealand—8

# NSA Board of Governors Minutes—Oct. 3, 2013

**Commodore:** David Parrish called the meeting to order at 7:01 P.M. BOG members present were Parrish, Faber, Kramer, Janson, Dodson, Veith, and Born. Cheatum and Stump were absent. Members & Guests: Administrative Secretary Allen Johnson, Webmaster Sheryl Born, Jr. Sailing Chairperson Jaime Kissinger, Jim Carlisle, and Justin Fremin were present. Property Manager Pat Adams was absent.

**Minutes:** Bob Born, Secretary

The Board accepted and approved the September minutes as published. (Born/Kramer)

**Financial Report:** James Janson, Treasurer

The Statement of Financial Position for the month ending September 30, 2013.

The board discussed and accepted the financial report as presented. (Kramer/Born)

**Property Manager's Report: Patrick Adams**

- Club Boats: Pulled the Lund and Zodiac. Patrick sent pictures of the Zodiac flotation's tube to a repair facility in California. The guy thinks we may have used the wrong glue. Committee boat transmission linkage prevents us from using reverse, cannot adjust further.

- Yards: The yard spaces are mowed. Special thanks to Tom Brown for his help with this project all season.

Delayed our contract mowers by one week to save funds, mowed the Shelter house in prep for the Low Country Boil/Allen Johnson 7th 50th birthday party. . . bad luck because of the high winds the party was moved to underneath the AD.

Helped Jim Carlisle repair flood damaged electrical at Shelter house.

Removed abandoned utility poles from the west yard per Code requirements.

- Afterdeck: SecureNet came out to fix the security system at no charge. We are still having intermittent problems but nothing crucial. Patrick purchased new compact fluorescent floodlight bulbs which will save us money in the long term but more expensive up front (They don't make the old bulbs anymore). Patrick took delivery on our high-priority ADA Handicap parking signs and posts. The Afterdeck air conditioners received their annual service.

- Crane: The crane pumpout is repaired and operational after earlier flood damage. Still need to fix the pumpout fence. Repaired Adams Jetty range lights, and ordered a new light fixture for the Crane light. Still waiting on Cheney Electric to replace receptacle boxes on C and D slips, they have promised soon.

- Work Credit: Any member needing work credit hours should check with their chairperson, and then call me for duty after 10/9. We have several projects that need completed before November.

Administrative Secretary Report: Allen Johnson sent invoices this past week.

## Member/Guest Forum:

Jamie Kissinger mentioned the CSSA will be having their annual meeting at the AD on Nov 9th. She also reports Jr. Sailors moved miscellaneous items from a trailer in the yard to one of the sheds.

## Board Member Reports:

**Secretary:** Bob Born

Provided slate of officers to the board.

A RCH will go out to the membership on Oct 10 announcing the upcoming annual meeting on November 10th at 2:00 PM

**Treasurer:** James Janson

James reported several bills he will be paying in the next two weeks.

He is preparing the accounting for membership distribution at the upcoming annual meeting on Nov 10.

**Yardmaster:** Ricky Stump

Ricky was absent

**Harbormaster:** Doug Veith

- Doug mentioned we have several slips open and asked for board opinions and discussion about allowing members to rent a second slip. This raised considerable discussion about the possibilities. Nothing was decided or voted on but the topic of most interest is allowing a member to rent a second slip on a non-permanent basis, knowing that any other member without a slip but requesting one will have priority and can "bump" the member's second slip. Everyone believed there are possibilities but the discussion was tabled for further thought and consideration.

**Operations Officer:** Norman Dodson

The Low Country Boil was held on Sept. 26th and was its usual resounding success. Allen and Thumper have once again done an outstanding job. Allen reports that we took in \$1850.00 and he has turned in \$628.63 in expenses, which would make it a huge success. That officially wraps up the social season for the club.

The next event will be the annual meeting on November 10. An idea has been put out there to possibly have a viewing of the 34th America's Cup Race during the soup potluck and social event.

-Members interested in reserving the Shelter House, Afterdeck, or holding a special group activity should contact Jack Kramer at [pastcommodore@ninnescah.org](mailto:pastcommodore@ninnescah.org)

**Vice Commodore:** Gary Cheatum.

Gary was absent.

**Secretary's note:** Due to oversight it was not announced that Allen Johnson won the Colossus Cup Regatta in the Multi-hull division which was sailed on August 17. My apologies for not making this important announcement. As previously announced Frank Couch won the mono-hull division. Congratulations to Frank and Allen.

Commodore Elect: Paul Faber

Paul is investigating another CPA firm and asking for a bid to do the monthly accounting.

**Past Commodore: Jack Kramer**

-The AD has been well used this year and there are a couple more AD rentals booked.

New Business:

The annual meeting will be November 10 at 2:00 PM. A soup potluck will follow.

-We will have a table set up at the Annual meeting to sign up and buy a 2014 NSA calendar. Thanks to Scott Fry's initiative the 2013

## Continued: NSA Board of Governors Minutes–October 6, 2013

NSA calendar was a first for our club and a success. Scott used twelve of the pictures submitted to the NSA photo contest to create a special and personal sailing ambiance. We are printing 100 of the 2014 calendars so be sure to sign up for one or two copies. They will be on a first come first served basis so when the 100 are gone we will not be ordering more for 2014. We may have a few of the 2013 calendars available for you to look at and possibly for sale.

### Old Business:

As a reminder there will be no fee increases for the coming year. The Long Range Planning Committee (LRPC) will present the Long Range plan to the membership at the annual meeting and will be recommending a 5% increase in dues for the coming year. Be sure to attend this all important annual meeting on November 10 and vote on upcoming issues.
