Commodore A. Woodward called the meeting to order at 7:00 pm.

The November meeting minutes were approved: Greenwood/Veith

**Financial Report:** R. Leonard (for Mark Evans)

No financial report for November so that the budget can be addressed. Also, Mark Evans will be out of town periodically and will be unable to fulfill his obligation as Treasurer at times, but still wants the job. Sheila Whiston-Fox has agreed to step in and help as will Ronnie Leonard. Sheila will need to be added to the bank's list of account signee's.

A motion was made to add Sheila Whiston-Fox and Mark Evans to the list of bank account signee's and to retain Ronnie Leonard's signee capability as well. Greenwood/Radabaugh

**Property Manager's Report:** P. Adams

- The little Whaler has been serviced and the Zodiac is in for servicing as well. Wichita Marine will research possible fixes for the rib re-gluing procedure.

- The pontoon boat will remain in service until all boats are out for winter. The work barges' motor has been pulled and is on the pontoon's deck so it can be serviced at the same time. There are only a few boats left to come out. Will be contacting their owners to remind them of season's end.

Both of the Kubota's have been serviced at Price Bros.

- Afterdeck: two leaks reported during the rain/windstorm-will be fixed.

- Took delivery of some gasoline to use in emergency generators in case we lose power at the lake.

- Slips, Afterdeck and property manager's residence have all been winterized.

- The State Park is re-plumbing the bathhouse with new shower fixtures.

- The old pit toilet has been demolished and removed.

- Members are urged to come out to the lake and enjoy the varied waterfowl and wildlife in residence.

- A reminder to please shut and lock slips and yard gates and make sure the Afterdeck is properly closed up for winter.

- Our lawn mowers are in poor condition.

-Email addresses for new board members are correct and operational

-A group picture of the new board is needed. Sheryl is planning on taking one at the January's board meeting. Please let me know if you are unable to attend.

-Biographies are needed for new board members. If you haven't created one yet, please do so and send to me or Sheryl.

-We are starting a new process for the Mainsheet in an effort to make sure it is published in a timely manner each month. As of now, we will begin requiring the heads of each committee (KBRS, Jr. Sailing, Adult Learn to Sail program, Harbormaster, Yardmaster and Operations) to submit a report with photos to Chris Zachary for entry into the Mainsheet by the 20th of the prior month. This will then be edited and submitted to Sheryl Born for layout. The Jr. Sailing report should be vetted by the Vice Commodore and included in his report. Additionally, we ask each of these committees to provide all 2016 dates for the calendar as soon as they have them all. We will also ask each of the Social Event coordinators to provide the content for the Mainsheet for their respective parties.

-The Holiday Party will not take place this year. We will however, still have the New Year's party and the Superbowl party.

-Additionally, we have already received requests for six more NSA calendars since the RCH went out this afternoon.

### Old Business

**Financial Review Year End:** R. Leonard

As noted at the annual meeting, we still sustained a small loss for the year after depreciation is added in, albeit a substantial difference from the prior year. We are gaining new members through our marketing committee's efforts and from Adult Learn to Sail and our merchandise sold well last year.

**Jetty/Cove Update:** G. Greenwood

The new pit toilet needs a sidewalk yet. CXT is the name of the manufacturer of the unit and not some special acronym. Reading material is scarce inside the unit. The area around the old toilet will need to be seeded.

**Wi Fi Update:** P. Adams

Ready to order wifi equipment Our Sprint contact has been replaced, so need to visit with new one.

Pixius may end our service-a timely event.

**Estate giving to NSA:** Greenwood/Woodward

Do we need a formal process for the implementation of givers desires?

**Meeting Room:** R. Leonard

As noted earlier-our board meeting room's nightly fee is tripling as of January 1. This in an onerous increase

that we can ill afford and as such we will be researching other venues.

**Marketing Committee Report:** no meeting was held in December

### New Business

BOG boat inventory at NSA on January 1, 2016.

Volunteers are needed for this state statute required event.

**Budget 2016:** R. Leonard

A proposed budget was presented and each line item was gone over and discussed. Each board member needs to look over their respective areas and try to reduce expenditures if possible. The goal is to have a balanced budget and it would be nice if the members could have their revisions back to the Treasurer by Christmas.

G. Greenwood, A. Woodward, R. Gibson, R. Leonard and Sheila Fox met to discuss the budget process prior to tonight's meeting.

Some discussion about a capital improvement issue regarding the eventual failure of our slip foam and its replacement using encapsulated foam. Some of the variables were discussed as well as cost estimates for it. A phased replacement schedule needs to be considered.

**Board Policy #23:** G. Greenwood

This board policy was published through RCH twice during October prior to the annual meeting. This policy provides guidelines to the board for administering the new By-Law changes as they relate to approving businesses and organizations personnel having a reduction in dues and initiation fees when joining NSA.

This was tabled at the last meeting so that it could be amended as necessary following the membership vote on the proposed By-Law change. As such it has been reviewed and a minor revision made to the Procedure: i.e. Administrative Secretary was changed to Board Secretary.

This change was voted on and approved. *Radabaugh/Greenwood*

### 1980 O'DAY 23' SAILBOAT

The boat is a centerboard model with the standard rig 1980 O'Day 23-2. The boat has custom cruiser/racer full cut sails made by Hild Sails in 1996. Up front is a 150% genoa that can be reefed to 100% on a Hood Yacht Systems roller furler. The main sail has standard battens and one set of reef points. All lines have been run aft to the cockpit so that one person can easily handle the boat. The boat can also go almost anywhere due to the shallow draft (2.26' with the centerboard up).

The cockpit features custom Marine closed cell foam cushions made by JSI, a compass, and Autohelm ST30 Bitdata instrumentation (which I was told worked but never messed with).

The boat also comes with an electric start 9.9 Johnson Sailmaster outboard motor. The motor starts and runs great. All of the fuel lines were replaced last fall and the carburetor and fuel pump were rebuilt (both with OEM kits). After having this motor I don't know if I'll ever be able to go back to a pull start.

The electrical system is also in working order featuring a marine deep cycle battery, trickle charger, working lights, radio and speakers. (The bilge was working when I purchased the boat but was acting up when I checked it the second time so a new one was purchased and hasn't been installed yet).

The cabin interior is in good shape with all of the original cushions, a nice dinette table and one piece carpet (which prevents slipping).

It sits on a freshly restored tandem axle trailer (professionally sandblasted, painted, all new wiring, lights, bearings, races and seals replaced. The only thing I haven't done yet to prepare it for a long haul is replace the tires).

The boat also comes with lots of extras: Set of hank-on original O'Day sails, and additional 150% genoa. Swim ladder. Multiple sets of hatch boards (originals, plexiglass, and new unused teak). Set of new hatch runner boards (never installed)

I wish I could keep it but I am moving to Santa Ana for work and between the cost of living increase and how expensive it will be to keep it there I need to sell it. All reasonable offers will be considered. **Please email me at [benhofferber@yahoo.com](mailto:benhofferber@yahoo.com) or call/text me after 4PM at (251)508-0156.**

### 1979 CATALINA 27

The Catalina 27 features a spacious interior with 6' headroom. A forward stateroom contains a V-berth and locker, there is a separate head compartment, adinette, settee berth and galley in the main salon. The dinette collapses to convert to an aft berth as well. It has cushions for the dinette. The cockpit area is large with storage seating. 9.9 outboard motor. Two

main 150 sails two jibs and one spinnaker a rolling furler CID. All in great shape. Covers on all sails. Heavy duty transport trailer. Extras: Microwave, Grill, AM, FM, CD radio and a GPS. \$7,500. **Please call 316-239-1472 or email [amkostelecky@yahoo.com](mailto:amkostelecky@yahoo.com)**
