March Board Meeting Minutes

March 3, 2016 Ninnescah Board of Governors Meeting Minutes

Present: Andy Woodward, Gregg Greenwood, Chris Zachary, Chuck Radabaugh, Doug Veith, Dale Gronniger, Sheila Whiston-Fox, Bruce Rowe

Other members/guests: Allen Johnson, Patrick Adams
Commodore A. Woodward called the meeting to order at 7:00 pm.

The February meeting minutes were approved.
Woodward, Rowe

The February financial report was approved.
Radabaugh/Greenwood

Property Manager's Report: P. Adams

Club Boats: The Zodiac tube set is back from repair in Texas, ready to be re-installed. Thanks again to Tom Olsen for his help with shipping and receiving, and Jaime Kissinger for finding the repair facility. If successful, the firm, Triad Marine, could not have been easier to work with. The representative says our tube's adhesive simply timed out, which is normal, and the failure probably was not the result of any mistreatment. The boat is an outstanding vessel for sailing instruction, and it will be good to have it commissioned and back in our fleet.

Afterdeck: Securenet, our security monitor, upgraded the remaining cell phone communicator. There is no longer a hard line phone in the Afterdeck. You will need to respond with your own cell phone if you have caused

From the Commodore

...

Spring is here, it has been raining. We have water in our wonderful lake. I am so excited to see everything that our Board is planning for this year for Spring and Summer.

Do you have your launch date planned? It is great seeing many of you working on their boats. Let's go to the lake and have fun.

Andy Woodward,
Commodore

the alarm to go off falsely. Instructions have been posted for procedures to cancel false alarms, members should familiarize themselves.

The Johnsons have donated a water filter for a faucet in the kitchen. Thanks to Allen and Thumper.

We have cleaned out the basement, removing clutter and trip hazards in preparation for inspections by the Park officials and the BOR. A new light fixture was installed.

We found a new Internet provider for the facility. KanOkla. Has a closer antenna, better service terms, not much more money, and the speed may improve with time. Can now proceed with upgrading our distribution hardware. Will still be very slow compared to urban connections, but our goal is to get every member some access.

Lowell Holmes's family has donated his sailing library to the club. Gregg and I picked up the books and a couple of bookcases, Cooper Pierce and Michael Leonard hauled the books upstairs to the West Loft, where we hope additional wooden bookcases can be located for this valuable library. Ideally, the cases would be of light-colored wood and sturdy construction, and all match. Perhaps a store will go out of business and have what we need. The board voted to name the library "The Lowell Holmes Library" in view of this large donation of sailing books. We would like to dedicate "The Lowell Holmes Library" at the Blessing of the Fleet. Still looking for a 3'x5' glass front display case for the Ted Wells Championship sail.

Boat Yards: Cleaned out the sheds and surrounding area in preparation for our inspections. Thanks to Doug Veith for his help hauling items to a sale in Cheney.

Unseasonably mild weather will increase activity at the facility: Members are reminded to keep gates and doors locked when not in use: Afterdeck, yards, sheds, and slips. If you see folks in a closed area who is not familiar, take the opportunity to introduce yourself. As we launch boats back into the slips, remember that shore power cords must be certified for wet locations and run under the docks. Keep boats and dock boxes back so that folks can walk down the center walkways. Ask before mounting additional cleats or other hardware on the docks. The best place for water hoses is in dock boxes. Plumbing on the docks will be commissioned after freeze concerns are over, perhaps in a few weeks.

Landscaping: The Park staff have installed our new Lift Station and removed the antique one behind the Bathhouse. This is an impressive project that involved burying a couple miles of new sewer line, and removing a lagoon. While they had heavy equipment on site, they removed most of our dead trees, (killed during the drought), and dug out some stumps. This is very valuable work which we could never have afforded ourselves. It has reduced many hazards and will enable us to move forward with replacing trees and landscaping. Yardmaster Dale Gronniger organized a crew on short notice Feb 27. A Boy Scout troop showed up and helped rake up. Thanks to all those who came out and helped: Gary Feist,

Dan Wilson, John Vredenburg, Yasmine Batrouny, Dale Gronniger.

A great deal remains to be done, and anyone with some time and energy is invited to come out and lend a hand at any time. Check with me and I will show where we need the help most. We have a great deal of work to do, and no budget, so we need all the help we can get. It is a terrific opportunity to improve our facility.

Orientation classes: Saturday, Easter Weekend, March 26. Crane at 11:00am, Committee Boat at noon, Afterdeck at 1pm. \$15.00 deposit for crane key. Come out and get familiarized with these wonderful club assets.

Lake Level this afternoon is 1422.01.

Administrative Secretary Report: A. Johnson

The first half delinquent members have been identified.

Board Members Reports:

Secretary: B. Rowe-nothing to report

Treasurer: S. Whiston-Fox

We are required to send a copy of our annual report to the KDWPT Cheney State Park Manager each year. This has been completed.

Yardmaster: D. Gronniger

Thanks to Patrick and to various members who have been helping clean up our area after all the plumbing work by the state.

Harbormaster: D. Veith

Don't forget the slip exchange this Saturday. Also, one of the requirements from the Board of Reclamation is to keep bow pulpits from opposing boats in the slips from impeding foot traffic. Please keep your boats back far enough to remedy this. All power cords must be approved for wet conditions and routed under the slip walkways.

Operations: C. Zachary

Mardi Gras Party went off well. Full capacity of 48 patrons sold. If Thumper is willing to do next year we will keep on the calendar as a possibility.

A thank you to all those who have promptly submitted reports for Mainsheet in timely manner.

Sheryl Born would like to focus only on website, and no longer do mainsheet, calendar, and brochure. Need to find someone to produce mainsheet. Send out RCH to ask for a volunteer?

Considerable discussion about this major disruption in our communication ability. Sheryl has done such a great job that it will be hard to find someone to fill her shoes. G.

Greenwood and D. Gronniger will work on the Afterdeck brochure. If a volunteer from

NSA does not step forward to do the Mainsheet, do we need to hire an outfit or individual to produce the Mainsheet? It would be nice if whomever is decided on would attend the BOG meetings so they have a modicum of knowledge of what is going on prior to collating all the reports and producing the document.

Have all social dates set with volunteers except for Progressive Dinner. Looking for July 30.

Ordering burgees next week, and planning on ordering tumblers, floating keychains, and some t-shirts. Maybe have burgees to commemorate regatta events and placings?

Our RCH volunteer wants all messages received to be ready for transmission without editing-a forward ready email would be ideal.

Vice Commodore: C. Radabaugh

Adult Learn to sail committee has met a couple of times.

- We are working through the curriculum for the Keel Boat class
- Dates have been set
- Classroom sessions will be held at Pathway church
- We are about ready to order class room materials

Junior Sailing

- Brochures are in the proofreading stage and about ready to be printed

KBRS Sailing

- Kickoff meeting will be April 3rd
- The club has been meeting every Wednesday evening during the off season for some laughs. We alternate between the East side and West side locations

Club Boats

- Zodiac is back and repaired.
 - Thanks Tom Olsen for arranging transportation to Houston
 - Thanks Patrick for moving this project forward.

Regattas

- We have PRO's lined up for the three main regattas.
 - James Rix for Colossus Cup
 - Allen Archer for White Cap
 - Schoen Fitzgerald for Labor Day races.

Commodore Elect: R. Gibson (absent)

Roger would like to remind the board members that their respective committee's need chairmen. If no one is named, then that board member will be the chairman.

Past Commodore: G. Greenwood

Afterdeck Usage

Slip Exchange Meeting March 5, 2016

KBRS Meeting April 3, 2016

BOG Approved Member Birthday Party August 13, 2016: Radabaugh/Whiston-

Fox

Jetty Project:

Met with Ryan Stucky today. Electrical plans done for the Ramp area. Will now Bid the project when funds are available. Concrete sidewalks, sodding and landscaping will happen after electrical is done. Some topsoil will be delivered soon.

Marketing Committee:

The committee met on February 23, 2016. Working on:

Contacting Business Partners for Employee Incentives to join

Contacting former Snyder Marina Sailboat Clients

Working with Learn to Sail and Jr. Sailing on developing and distributing Brochures

Contacting Media Outlets in the Area about NSA Publications and Advertising Learn to Sail and Jr. Sailing

Putting a note in Membership documents about the NSA Mentoring Program

Scheduling NSA Sailing Promotion events with Organizations

Meeting with CSP Manager about BOR Inspection

Met with Ryan Stucky today about NSA's action items from May 12, 2016 Bureau of Reclamation Environmental Inspection of our Facility. All of our action items are completed. Education of Members with boats in slips will need to continue on keeping walkways and slip fingers clear of trip hazards including hoses and electrical cords. Keeping boats properly placed in slips so that bow pulpits do not block walkways.

Thanks to Patrick and all those who helped with the inspection compliance work.

New business: A. Woodward

I will be in Topeka for the Legislative Luncheon on March 23. Any member who would like to attend with me can give me a call.

Announcements:

Next BOG meeting: April 7, 2016 7:00 pm. Pathway Church 2001 N, Maize Rd

Next BOG breakfast March 15, 2016 Jimmy's Diner Tyler and 21st 7:00 am.

**GOT SOME SPARE TIME ON YOUR HANDS???? LOOKING TO VOLUNTEER????

NEST - Minnescah Education Safety and Training

Ahoy Sailors

Do you have a boat at home or in a yard space you just don't use and don't know what to do with it? You could try and sell it, with all the work that comes with selling a boat.

Better Yet Donate your unwanted boat to NEST and get the value in a TAX Donation and deduct it from your taxes.

For more information about donating your boat contact us at NEST. We will use the proceeds to help fund adult and junior learn to sail programs at Cheney Lake.

Members are invited to advertise at no charge. Email your ad copy to the editor at editor@ninnescah.org. Your item will appear in two consecutive issues unless you advise otherwise. Please let the editor know if the item is sold or if you want your ad discontinued. Items advertised must be boat related.

Non-members wishing to advertise a boat related item may do so using paid advertising with the following per issue fees: \$25 per ad, 50 word maximum. Payment in full and copy must be received prior to placing ad.

Send your ad copy and a check to Ninnescah Sailing Assn. PO Box 1587, Wichita, KS 67201.

Members of any organized sailing association who offer us reciprocal free classified advertising in their publication will not be charged
