

CORN REGATTA RESULTS

NSA, Cheney Lake
September 1 & 2, 2002

The winds were typical ranging from 10 to 20 mph with small oscillating shifts and proved to be perfect sailing conditions for the fleet of 23 Sunfish, 6 Prindle Fifteen, 4 Sweet Sixteen, 4 Force Five, 4 San Juan 21 (non spin.) and 5 San Juan 21 (spinnaker) for a total of 46 boats.

Other amenities were "sand jams" (pickin' and grinnin") on the beach each night and an excellent barbecue Saturday with a slow dinner line which has been eliminated in the future. The age spread between 1st and 2nd place in the Sunfish class was 46 years, which just goes to show you why racing a sailboat can be enjoyed by so many people of all ages.

Warren Fitzpatrick, 2002 & 2003 NSA Regatta Chairman, nightsailor@aol.com.
