The wet slip and mooring rental season for the purpose of this Lease shall commence March 1 and end December 1 each year. The yard space(s) rental season shall commence January 1 and end December 31 each year. This Lease will automatically renew from year to year unless terminated by either party as provided for herein.

Unless this Lease is renewed in accordance with the terms hereof and, in the case of the lease of a wet slip or mooring, unless Lessee has received permission from the NSA Harbormaster to utilize the wet slip or mooring during the winter, Lessee agrees to remove the boat(s) and related personal property from the wet slip,

mooring and/or yard space(s) on or before the last day of the rental season as set forth in paragraph 1 above, or within seven (7) days from the receipt of notice of termination as set forth in paragraph 2 above. In the event Lessee fails to remove the boat(s) and/or related personal property as herein provided, NSA, or its agents, may take possession of the boat(s) and related personal property and cause the same to be removed for storage at such place as may be convenient for NSA. Lessee hereby appoints NSA as its duly authorized agent with complete Power of Attorney to remove the boat(s) and related personal property or cause it to be stored as herein provided. Lessee agrees to hold NSA harmless from any damage to the boat(s) and/or related personal property and to pay all costs and expenses incurred by NSA in removing the boat(s) and related personal property and causing it to be stored, as well as all expenses, including attorney's fees, in collecting all related costs and expenses from Lessee.

4. Lessee, on his or her own behalf, and on behalf of Lessee's guests and invitees, hereby releases and holds harmless NSA from any and all liability, costs, expense, damage, and/or loss of any nature and/or kind whatsoever (including but not limited to property damage, personal injury and/or death) arising out of, related to and/or caused by this Lease, the storage of property at the NSA facility, the use of the NSA facility, any act of God, weather, and/or any other cause and/or event.
